The new
BIG cartridges.
Increased Possibilities

A special range of Big cartridges,
suitable for **DP BIG housings**.

OD 4.5"

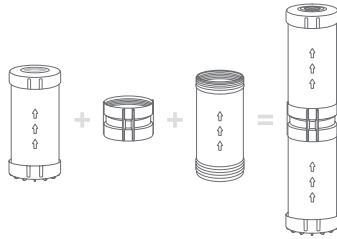

ERC

THE NEW BIG CARTRIDGE. INCREASED POSSIBILITIES

A special range of Big cartridges, suitable for DP BIG housings, as always crafted in our italian headquarter.

Modular structure

a special junction allows joining two 10" cartridges to create one perfect 20" cartridge.

2 Media in the same Cartridge

1 + 1

20" model lets you combine 2 different media in the same cartridge.

High Quality Materials

PET

suitable for
drinking water

PET - extremely transparent, long-lasting, suitable for drinking water.

Everything in its place

each component of the cartridge is aligned with others.
Junction, end caps, body of the cartridge are perfectly in line.

Reusable and Refillable

Love our planet, don't throw the cartridge away!
When the media is exhausted, empty the cartridge and fill it again with new materials.

Discover the complete DP BIG range

Match the right BIG cartridge to your DP BIG housing.

LA BIG

GRANULAR ACTIVATED
CARBON

reduction of
chlorine / chloramine
bad taste / odour
volatile organic compounds
pesticides
